ADDITION OF COMMUNITY SOCIAL SERVICES EARLY INTERVENTION PROGRAM (CSSEIP) FORMS

The Healthcare Benefit Trust (HBT) has added three forms pertaining to the Community Social Services Employers' Association's (CSSEA) Early Intervention Program. The new forms will be used by CSSEA member employers who would like to refer ill or injured employees to Canada Life's Early Referral Services to assist with recovery and return to work.

The new forms are: Claimant's Statement, Employee Referral Form and Attending Physician's Statement. They are located on the HBT's website at:

https://www.hbt.ca/rehabilitation_services/RehabilitationReferral/Pages/MakeReferral.aspx

Please discard any old printed forms you may be currently using.

All forms should be accessed on HBT's website. This will ensure that you are using the most up-to-date version of the forms.

Please forward this communication to all departments within your organization that may require and rely on this information.
