Chief Executive Officer
HEALTHCARE BENEFIT TRUST
Vancouver, BC

Reporting to the Board of Trustees, the Chief Executive Officer (CEO) is responsible for leading the overall business and financial operations of Healthcare Benefit Trust (HBT). Building on the Trust's corporate mission, the position is a highly collaborative one, working in partnership with B.C.'s health care employers, employer associations and the provincial government to develop and administer effective employee benefit plans that promote optimal health and safety for employees. As one of Canada's most experienced and progressive group benefit providers, the Trust administers benefit plans, manages funds, and develops unique disability management strategies and workplace health initiatives.

The CEO will lead and mentor a highly skilled executive team, foster a positive corporate culture, engage with a diverse stakeholder and client community and provide guidance in the execution of the Strategic Plan.

The ideal candidate will have extensive experience planning and managing the operations of a complex organization, with specific experience leading group insurance underwriting, benefit plan administration and finance functions. In addition the new CEO of HBT will bring exceptional leadership, relationship development, negotiation and collaboration skills, combined with a strong client service focus. A proven track record in establishing innovative approaches to doing business while influencing an organization to embrace necessary change is essential. As an inspiring and energetic leader, you are comfortable interacting with and being accountable to a Board of Trustees and bring proven success building effective relationships while driving business opportunities, as well as process improvement initiatives.
