## **HEALTHCARE BENEFIT TRUST ADDING VALUE WITH NEW PERKS PROGRAM – STARTING WITH EXCITING DISCOUNTS AT ROGERS WIRELESS**

Healthcare Benefit Trust (HBT) is proud to roll out a new perks program as a way of saying thank-you to our member employers and their staff for choosing HBT as your benefits provider. On a go-forward basis we will be actively looking for ways to add value by making new products and services available to you at discounted rates – the first offer of which is available today.

We have recently been working with Rogers Wireless to create a variety of amazing offers, available to both new and existing Rogers' customers who are members of HBT. The Rogers Wireless Special Employee Pricing Plans start at just \$65/month for 6GB (details attached). Offers are limited to 1 account per employee, but each account that is the responsibility of the employee can have up to 5 lines in total (the primary account holder is the employee and any additional users can be family/friends). For more information and to learn how to sign up, please see the attached files.

Rogers Customer Service Representatives are available to assist with any questions you have and are available at [rdiv@rogersdirect.ca](mailto:rdiv@rogersdirect.ca) or 1-844-776-4377.

Please be sure to forward this email to your team so they can take advantage of the discounts too!

Thank you again for choosing Healthcare Benefit Trust.

To be eligible for your employee discount, all entered information must belong to the employee. The offer is limited to 1 account per employee. Each account is the responsibility of the employee and can have up to 5 lines in total. The Primary Account Holder is the employee and any additional users can be Family/Friends.
