2023 RATE NOTICE DELAYED FOR CSSEA EMPLOYERS

Your April 1, 2023 rate renewal is delayed as the rates will be affected by the 2022-2025 Community Living Services, General Services and Indigenous Services Collective Agreements.

As you are aware, tentative agreements were reached on February 3, 2023 and results of the ratification vote will be announced shortly after March 20.

Once HBT receives notification that the collective agreements are ratified, the April 2023 rates will be distributed.

Please forward this document to all departments within your organizations that may require and rely on this information.
