BACKGROUND INFORMATION

Refer to the "Waiting Period and Benefits" section in the Long Term Disability (LTD) provisions of the applicable Collective Agreement, which states that employees who still have unused sick leave credits after the LTD qualification period shall have the option of:

1. exhausting all sick leave credits before receiving the LTD benefit (this option is not available to claimants under HSP or Nurses Agreements);
2. using sick leave credits to top off the LTD benefit; or
3. banking the unused sick leave credits for future use.
